

## **About the CT State USBC Photo Gallery**

**Welcome to our photo gallery of the CTUSBC Hall of Fame members. It is an ongoing project that will take awhile to complete so we encourage you to visit the gallery often. Before the merge of the Connecticut State Bowling Association (CSBA) and the Connecticut Women's Bowling Association (CWBA) into the CT State USBC Association, each group had its own Hall of Fame. All were grandfathered into the new group in 2007 and became the CT State USBC Hall of Fame. Member plaques are housed in the New Haven County USBC Board offices at New Street in West Haven. A lot of the photos presented here had to be re-photographed from the plaques so the quality is not always the best. Some may be fuzzy, show glares or streaks or just be a bit faded. We apologize for that. We ask that anyone who may have a better photo of individual members to send them to Marsha Gilbert by email at: [marshagilbert@snet.net](mailto:marshagilbert@snet.net) or by regular mail to her at: 14 Howard St., Newington, CT, 06111. She can replace the better quality photos you may send into the gallery.**

**Bowlers were inducted into the Hall of Fame in several categories through an objective point system. For actual bowling achievement the category may be listed as Bowling Ability or Superior Performance. Those bowlers have scratch bowling achievements and honor scores. The Meritorious Service category honors those volunteers who have gone above and beyond to run various bowling organizations, keep records, and run tournaments and award programs for bowlers of all abilities from youth to seniors. Some bowlers are listed under the Combination category due to both Bowling Ability and Meritorious Service. The Friend of Bowling is a subjective category that covers those individuals who have improved or promoted the sport through different area such as forms of media coverage, legislation, equipment innovations, creativity and ideas, or financial support or a unique combination of these areas over a period of time.**

**We hope you enjoy your visit to the photo gallery!**
